& Affiliated to University of Mumbai

Excellence in Education

One of the education campus with 24 hrs electricity backup by Solar and Wind energy

Rs. 500/-

VISION - *"Knowledge is Power"*

Our Vision is to improve the Human Health Care through the advancement of knowledge. We create educational environment in which students are prepared to meet the challenges of growing needs of Society by innovation in teaching & research.

MISSION

- To Produce Competent & qualified young pharmacists through quality education & self learning strategy.
- To promote research activities through different innovation ideas to uplift the growth of country.
- To Provide the qualified professional pharmacists to society in order to promote the healthcare services through out the world.

GOAL - *Excellence in Education*

To provide high standard of education to students by providing excellent facility and state of the art instruments and equipments and to emphasize on development of overall personality of students to (inculcate ethical and professional behavior through various activities.

SHIKSHANMAHARSHI
Late. Shri. Bapusaheb D.D. Vispute

Alias -Rushimaharaj

***"Education is The Way To Move Mountains,
To Build Bridges, To Change The World,
Education is The Great Engine of rural
Development And Path To the Future"***

Shri. Dhanraj D.Vispute
Chairman

MESSAGE FROM CHAIRMAN

Over the years, the field of Pharmaceutical science has grown with research & development. This profession has a large socio-economic relevance to the Indian economy. It is committed to deliver high quality drugs & formulation at an affordable price to the general population. With this vision, Shri Rishikesh Shikshan Prasark Mandal decided to establish Shri. D. D. Vispute college of Pharmacy & Research Center, so as to provide an opportunity to the semi-urban & rural youth of Raigad district to develop & create a better tomorrow.

The vision of our institution is 'Knowledge is power'. We envision the development of an institution, which provides highly proficient technical education & knowledge. It is our mission to inculcate in our students good human values & provide them opportunities to realize their potential to the fullest.

I Hope our information brochure will provide you with sufficient information to meet our needs as well as introduce you to our aspiration, achievements, career opportunities & advantages of being at DDVCOP.

I invite you to browse through our information brochure to get acquainted with us & go on to become dedicated & knowledgeable pharmacy professional, responsible citizen of our great nation.

(Shri. Dhanraj D. Vispute)

Smt. Sangita D. Vispute
Secretary

MESSAGE FROM SECRETARY

As a wise man says, "There are two types of Education... One should teach us how to make a living, and the other how to live," Without striking a fine balance between the two, the result is going to be nothing less than a disaster. Adarsh Group of Institute the opportunities to experience the subtle abstraction and inherent beauties of life by organizing various cultural activities.

Adarsh Shikshan Prasarak Mandal, Navi Mumbai running various institutions, housed in fully developed campus, imparting education to over thousands students. The locations of these campuses are in pollution-free lush green and picturesque environment conducive to learning. All institutions enjoy the services of vast intellectuals that comprises of eminent personalities drawn from the field of pharmacy. Nursing, Architecture, Education. Dairy diploma, Training centre for primary teachers etc. We have made incredible progress in a very short span of time and today we have established our identity as one of the premier educational institutes and created "Adarsh" brand in Maharashtra. All the institutes have excellent infrastructure and we keep on upgrading theses facilities.

Adarsh Shikshan Prasarak Mandal motto-Discipline, Dedication, Determination and Commitment are the four core pillars to focus. These govern on each of its action, deeds and practiced amount students, employees and administrators of the institute. Even in today higher education is not a fundamental right but it is considered as a distinct opportunity which is not available for all, with due reasons our institution has an obligation to make this opportunity easier to access for all.

Smt. Sangita D. Vispute

**Dr. Ashish S. Jain (M.Pharm, Ph.D)**

Principal

PRINCIPAL'S MESSAGE

I am pleased that you are considering DDVCOP for next step in your career.

I would like to warmly welcome you as the countries premier Pharmaceutical institute established DDVCOP with wide mission to impact high quality pharmaceutical education through innovative & interactive learning process for establishment & their social image as well as help them to with stand in global competitive environment.

Our Student are pruned in such a way as to integrate their knowledge to the real time problems of business and industry. The alternative teaching learning methodology followed in our institute have equipped and empowered them to undergo challenges in their life and career. We inculcate the value of professionalism, ethics, devotion and commitment which will help them to have proper composure during the turbulence to their personal and professional life.

Throughout academic year, we provide opportunities for students to participate in many co-curricular & extracurricular activities & urge parents to stay closely involved in education of their children. The key feature is emphasis treating & attending all our students as individuals

We sincerely desire that our students pass out from this institution with not just a degree in B.Pharmacy, but as healthier human being, realizing that pharmacy & its realted professions are among the most noble & honorable calling that one may seek.

(Dr. Ashish S. Jain)

“Identify the purpose of your Decision”

• Scope of Pharmacy

The pharmacy profession comprising the industrial & practice sectors is undergoing a rapid change. Indian pharma industry which has registered a spectacular progress today rank 4th in volume & 13th in value in global pharmaceutical market with exports worth us dollars 2.6 billion the ever expanding pharma's industrail and practice sectors need clinically & technologically trained pharmacy professionals who can face global challenges compete with the multinationals. The pharmacist is no longer a mere dispenser of drugs but has assumed a more crucial role in medicine management and as well as overall health care programme.

About The Trust

In August 1990, 'Adarsh Education Institute' was established in Dhule district with the inspiration and guidance of 'Bapusaheb D. D. Vispute Sir' and the primary motto of providing education to students of urban area and economically backward students. The trust has spread his wings and started to grow in New Panvel with 'Adarsh Shikshan Prasarak mandal and Shri Rishikesh Shikshan Prasarak Mandal' in 1997.

There are around 50 institute of various disciplines run by these trust at various locations viz panvel, Ratnagiri, Dhule, Nashik, Aurangabad, Buldhana and Pune.

Various disciplines are :

- College of Pharmacy & Research Center
- School of Nursing
- D.Ed., B.Ed., M.Ed.
- B.Sc (Biotech / Computer / IT / Aviation)
- Bachelor of Management Studies (B.M.S.)
- B.Com. (Account & Finace, Banking, Insurance)
- Polytechnic College
- Pre-primary School
- Primary School
- Drawing Junior College
- CTC College
- College of Agriculture

About The College

The world is changing fast with innovation and unconventional thinking. In order to remove the suffering from our society like terrorism, hunger, poverty etc. educating the mind is the only solution and making them a 'think tank' so that not only serve themselves but also contribute in making a beautiful world. With the ongoing mission for providing quality education to all "Shri Rishikesh Shikshan Prasarak Mandal" added Pharmacy College in 2009, with the inspiration started college in the name of founder president of mandal Hon. Shri. Bapusaheb D. D. Vispute. The course is approved by "All Inida Council of Technical Education", PCI New Delhi, recognized by Government of Maharashtra and affiliated to University of Mumbai. The college building is stand in 2 acres of land in Panvel, adjacent to Mumbai Pune express highway surrounded by full greenery.

The Campus is surrounded by a belt of chemical and pharmaceutical industries acting just as hinterland to a port.

Infrastructure

“Meeting the growing needs of higher technical education”

College Building :-

The college is located in a magnificent building of ground + 3 floor on a sprawling land of 2 acres, amidst green and serene surrounding, conducive to research & higher studies.

Department of Pharmaceutics :-

The lab mainly deals with development of dosage forms and its evaluation for this, essential facilities such as friability, dissolution testing apparatus & Clarity testing Apparatus are Available in the lab.

Department of Pharmacognosy :-

In mainly deals with medicines obtained from natural source there uses along with application in different medicinal system. Lab is equipped with Camera Lucida, Muffle Furnance, Hot Air Oven, pH Meter.

Department of Pharmacology :-

This involves experimental demonstration of drug effect on different tissues of organs. It is tested on animals like frogs, guniea pigs etc. Lab is equipped with Sherrington's Kymograph Machine, Spygmomanometer, Convulsiometer, Plethysmograph, Actophotometer, Ratarod, Analgesiometer.

Department of Pharmaceutical Chemistry :-

In this lab students learn about synthesis of pharmaceutical compound there purification, identification & Analysis. Department is fully equipped with Sophisticated Instruments like UV, IR, HPLC, Flame Photometer, Fluorimeter.

Infrastructure

Animal House :-

Animal house is constructed with all facilities according to CPCSEA norms for conducting experiment on B.Pharm. & M.Pharm Norms.

Computer Lab :-

Computers have been provided for students & staff, Networked on LAN system with Broad Band Internet Facility.

Library :-

An excellent facility is an important aspect of educational institution. The library has been updated with 750 Titles, 3500 volumes of various books along with national & international journals.

Class Room :-

The classrooms are spacious & well - ventiated & provided a audiovisual teaching aids like LCD & Over Head Projector.

Medicinal Plant Garden :-

The setup of medicinal plant garden is well planned & maintained. The medicinal plant procured from various herbal gardens & enable the students to learn about identification & basic information of medicinal plants.

Central Amenities “ Reflection of Institution “

Transport Facility :-

Bus facility is provided to and fro journey between railway station & college at subsidized rates.

Sports:-

Excellent facility for following sports & games.
Outdoor i.e. Football, Cricket, Volleyball, Basketball.
Indoor i.e. Carrom, Badminton, Tennis, Chess.

Hostel :-

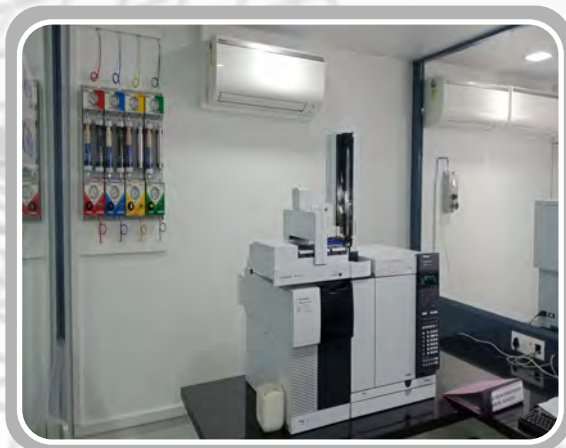

Separate hostel facility for girls & boys. The hostel is situated close to college as well as Panvel Railway Station. It is well furnished & have reading room, indoor canteen facility, TV room & sports facilities for recreation which provides homely atmosphere to the students. Solar water heater system provides hot water throughout year.

Training & Placement Cell :-

The committee of training & placement cell works extensively with enthusiasm & passion to steer the students for placement as per their aspiration in various vicinities of pharma industries like Sheronbio, Elder Pharmaceutical Ltd., Unichem Laboratories Ltd., Pfizer Ltd., Sandoz & Kilitch Drugs Ltd. This cell also extend their services to the students for their higher studies & competitive examination.

Central Instrument & Microbiology Lab

Central Instrument Lab - GCMS/MS

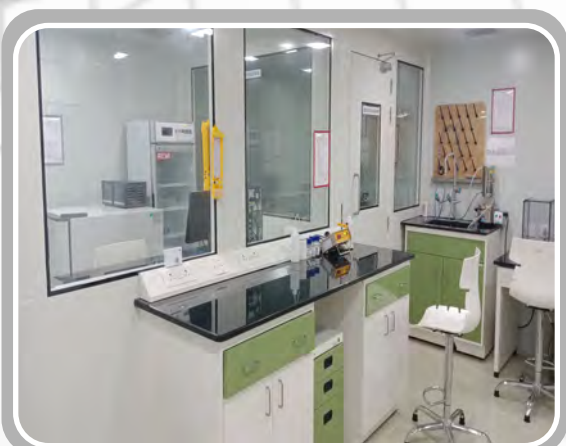

Central Instrument Lab - HPLC

Central Instrument Lab - ICPOES

LCMS / MS

Microbiology Lab

Courses Offered

Branch	Choice Code	Intake Capacity	Course Duration
B. Pharm	324282310	100	4 Yrs. (8 Semester)
M.Pharm Pharmaceutics Quality Assurance	324281710 324212510	15 15	2 Yrs. (4 Semester)

Admission Eligibility :

1. For F.Y.B.Pharmacy

- The candidate should be an Indian National.
- Passed HSC or its equivalent examination with Physics and Chemistry as compulsory subjects along with one of the Mathematics or Biology and obtained at least 45% marks (at least 40% marks in case of candidates of Backward class categories Economically Weaker Section and Persons with Disability category belonging only to Maharashtra State) in the above subjects taken together.
- Obtained non zero positive Score in MHT-CET (PCB or PCM).
- Candidate outside Maharashtra, OCI/PIO, Foreign National Candidate including J & K, Unreserved quota, criteria same as 'b' along with either obtain Non zero score in NEET/MHT-CET.
- For admissions under management seats the eligibility criteria are same as above. Admissions will be strictly as the merit of candidates.

2. For Direct Second Year B. Pharmacy (Direct S.Y.B.Pharmacy)

- Candidate should be Indian National.
- Passed diploma course in pharmacy with at least 45% marks (at least 40% marks in case of candidate of backward class categories, Economically Weaker Section and person with disability category belonging to Maharashtra State only) from and All India Council for technical education or pharmacy council of India or central or state government approved institution or its equivalent.

3. For First Year M. Pharmacy :-

- Candidate should be Indian National.
- Passed Bachelors degree in pharmacy from Any AICTE or PCI or central or state government approved institution, With at least 55% marks (at least 50% marks in case of candidate of backward class categories, Economically Weaker Section and person with disability category belonging to Maharashtra State only)
- Obtained non zero positive score in graduate pharmacy aptitude test (GPAT) conducted by National Testing Agency.
- For sponsored candidates, minimum of 2 yrs. of full time work experience in register firm / company / industry / educational and or research institute / any government department or government autonomous organization in the relevant field in which admission is being sought.

Documents required at the time of admissions

S.N.	Type of certificate / Documents	Issuing Authoirity
1	SSC Marks Sheet	Secondary & Higher Secondary Board
2	HSC Marks Sheet/Diploma Marks Sheet	Secondary & Higher Secondary Board/MSBTE
3	LC/TC	School / College
4	SSC/HSC/Diploma Passing Certifiacte	Secondary & Higher Secondary Board / MSBTE
5	Bonafide & Character Certifiacte	School / College
6	Proof of Nationality (Any of following original certificate)	Divisional Magistrate / District Magistrate / Mamledar / Tehsildar
	Certificate of Nationality	
	Leaving certificate indicate nationality of candidate as a Indian	
	Indian Passport in the Name of Candidate	
	Birth Certificate of Candidate indicating place of Birth in India	
	Domicile Certificate of candidate	Executive Magistrate / Mamledar / Tehsildar
7	Domicile Certificate of Father/Mother/Candidate (for Type A & Type B Candidate)	
8	Migration Certificate (For OMS/Other University Candidate)	Concern Board / University
9	Affidavit regarding Gap(if any)	On Stamp Paper of Rs.100 & Affidavit in front of Executive Magistrate
10	Caste Certificate (if applicable)	Executive Magistrate of Maharashtra State
11	Caste Validity (If applicable)	Divisional Social Welfare office/Director Tribe Scrutiny Executive Committee
12	Non Creamy Layer (if applicable)	Executive Magistrate of Maharashtra State/Collector of District
13	EWS Certificate (if applicable)	Executive Magistrate of Maharashtra State/Collector of District
14	CET Score Card	DTE, Mumbai
15	FC Verification Letter	DTE, Mumbai
16	CAP Allotment Letter	DTE, Mumbai
17	GPAT Score Card	Examination of Authority of GPAT
18	Antiragging Affidavit both from candidate and Parent's	On Stamp Paper

Note for the Student admitted in Government Quota

- Document Required for Supporting the Backward Class reservation Claim made by Candidates are as per the details given by Admission Regularity Authority.
- Candidate belonging SC / ST / NT / SBC / OBC / EBC/ EWS/ SEBC and admitted through Government Quota are required to submit all necessary documents required for claiming concession In tuition and other fee as per the details given by Admission Regularity Authority.

Fee Structure

For Government Quota / Minority Quota / Institute Level Seats

- At the time of admission, the student will have to pay interim fee as per final fees declared by Shikshan Shulka Samiti for current academic year. Fee Payment should be made by DD / Cheque in favor of “Principal, Shri D. D. Vispute College of Pharmacy & Research Center, Payable at Panvel.OR through on line payment mode (Details given below)
Union Bank of India, New Panvel branch. A/c -No.165111100000982, IFSC Code-UBIN0816515
- However this fee is subject to final revision of fee Shikshan Shulka Samiti, Mumbai. As per DTE Information Brochure regarding fees prescribed in Un-Aided Pharmacy colleges, Student will have to pay the fee for current academic year, as decided by the Shikshan Shulka Samiti, Mumbai for this institute.
- Further, Student must have to pay the additional fee in case of any further increase in fee for the current academic year as per the final revision of fee declared by the Shikshan Shulka Samiti, Mumbai. This additional increase in fee will have to be paid by the students within Prescribed period as mentioned by this institute. Admitted candidate will have to submit an undertaking regarding the same, at the time of admission.
- Fee Concession will be applicable for SC / ST / NT / SBC / OBC / EBC / EWS / SEBC category as per rules mentioned in MHT-CET brochure for the candidates who admitted in Government Quota only and not applicable for the candidates who admitted under management quota.

Rules Governing Students

Attendance :-

Students should be regular & punctual in attending Classes, Tutorials & Submission of the team work in various subjects. As per university rules students must have 75% attendance. - No student shall collect any money without the written permission of the principal.
- Payment of college fees, others fees, breakage & fine should be made on time, otherwise penalty charges may be imposed

CAREER KATTA

An Initiative of Department of Higher and Technical Education, Government of Maharashtra and Maharashtra Information Technology Support Centre

Changing times compel us to change our methodologies & strategies. Education field is no exception to it & is witnessing huge turmoil since last few years, more so after COVID. Futility of reliance only on classroom teaching is clearly visible & noted even at the Government Level. Government of Maharashtra recognising the need to equip the students for changing times has come up with an initiative of “Career Katta - करियर कट्टा”

Under this initiative, Shri D D Vispute College of Pharmacy & Research Center, New Panvel (T-535) sign an MOU with Maharashtra Information Technology Support Center (MITSC), Maharashtra & conducted different activities in collaboration with MITSC on regular basis like आय. ए. एस आपल्या भेटीला, उद्योजक आपल्या भेटीला. भारतीय संविधानावरील मालिका, वृत्तवेध, फाउंडेशन कोर्स. Students participated in all activities with great enthusiasm under the guidance of College Co-ordinator Ms Megha Kotane. Respected Principal Dr. Ashish Jain Sir has appreciated all participants. the entire events was well coordinated under the proper direction, guidance & support by Hon. Shri. Dhanraj Vispute Sir. Chairman & Hon. Mrs Sangeeta Vispute Madam, Secretary, Adarsh group of Institutes.

Key Areas of Testing

Pharmaceutical Testing Division

The pharmaceutical industry uses a very large variety of raw materials and hundreds of ingredients can go into the manufacturing of a single product. It is often difficult for a pharmaceutical manufacturer to have in-house testing facilities and capabilities for all the ingredients and products. A great deal of effort is spent at establishing specifications for the active ingredient and that of the finished product during a product's development cycle. Specifications for the raw materials must also be established. Failing to do can result in manufacturing delays and production lot failures. Laboratory testing of pharmaceutical products ensure a consistent level of quality, as well as safety.

Food Testing Division

To identify contaminants or hazardous components if any in raw material or contamination after a product is produced and before it is placed on the market. Laboratory testing is important for the research and development of new food products, including, for example, the choice of ingredients or components, the design of food processing, shelf-life studies. This is the kind of information food scientists need when developing new products. Another benefit of food testing is compliance with regulations for both the import and export of food products to different countries.

We provide following food testing facility:

Chemical and analytical testing, Nutritional labeling, Stimulant foods, Meat and meat products, Fruits and Vegetables product, milk and dairy products, bakery products, Food grains, pulses, cereals, seeds and related products, Honey, Fat, Spices, Spice Oils, Oleoresins, Heavy metals and Residue in foods.

Water Testing Division

Whether your drinking water comes from a public water supply (city water) or private well and/or spring, each drinking water source may be at risk for contamination and you need to know what are those contaminants are and how you might protect your family from the risks associated with contamination. Water apart from being used for consumption, also plays a vital role in many manufacturing units, industries and establishments. The quality of water used will definitely affect the grade of the final product, and hence testing for the quality of this essential unit becomes imperative.

We provide following water testing facility:

Physical and Chemical Testing, Elemental analysis, Poly aromatic compounds analysis, polychlorinated biphenyls analysis and residues in water analysis.

1 Hands on Training on Instruments :

This is a perfect introduction for absolute beginner to chromatography techniques.

Course	Instruments covered	Duration (10 a.m. to 5 p.m.)
I	HPLC	5 Days
II	GC-MS/MS, GC-FID	5 Days
III	ICP-OES	5 Days
IV	HPLC, GC-MS/MS ICP-OES	10 Days
V	LC-MS/MS	5 Days

Learning outcomes :

At the end of the programme participants would have strong understanding of theoretical and practical aspects of following areas :

- Covered theories and demo of instrument
- Instrumentation
- Sample types
- Analytes
- Chromatograms
- Analytical columns
- Stationery phases
- Mobile phases
- Separation process
- Sample introduction
- Detections
- Qualitative data analysis
- Quantitative data analysis
- Sampling techniques
- Applications

2 Hands on Training on Analytical Techniques :

This course is combination of theory and hands on practical training in a laboratory environments.

Course	Instruments covered	Duration (10 a.m. to 5 p.m.)
I	HPLC	1 month
II	GC-MS/MS, GC-FID	1 month
III	ICP-OES	1 month
IV	HPLC, GC-MS/MS GC-FID ICP-OES	2 month
V	LC-MS/MS	1 month

Learning outcomes :

At the end of the programme participants would have strong understanding of following areas :

- Theory & Methods.
- Method development of instrument.
- Operating the instrument.
- Calibrating the instrument.
- Training on ISO / IEC - 17025 Regulations

Note : This is industry orientated training on samples.
